RE: Docket No. 98N-1265

To whom this concerns:

As a consumer of healthcare services, I am not in agreement with the Memorandum of Understanding published by the FDA on January 21st of this year. The MOU, as well as the Compounding Section 503A of the Modernization Act, will restrict my right to obtain healthcare products from the provider of my choice. I have been very satisfied with the compounding pharmacist that I have been served by. In conjunction with my physicians care, I believe that we together should have the right to receive the compounded medication prescribed. Please amend the MOU.

Sincerely,

Mrs. Linda J. Boon
